Director of Pupil
Personnel

Congratulations on the fine work and leadership you have shown this school year. The senior high school student of today faces a world where literally the "sky is the limit." Each of you will realize the full potentialities which are implied by living in the space age. Let each of you take full advantage of your God-given talents that you may make the greatest possible contribution to life in this day. Whether your individual goals demand college training or immediate employment on completion of the high school program, take advantage of what the program has to offer you. Remember, you will never walk this way again.

Sincerely yours,

Marvin Lee Roeder, mascot of Livingston Central High School band and pep club, is a lively three year old. He is the son of Reverend and Mrs. Marvin Roeder of Smithland. The blond, blue-eyed youngster is an enthusiastic supporter of the team and never misses a game. He often helps direct the band and lead the yells. He is the "darling" of the cheerleaders and loved by all. His mother is the director of the band and sponsor of the cheerleaders.
